

Laundry Instructions

TOTE BAGS

Your Tote Bags can be machine washed warm. Tumble dry on low and remove promptly. **DO NOT USE BLEACH.** Please note the cotton/polycotton colored fabrics will shrink only about 2-3%. However, the Natural in the 10-oz will shrink about 5-6%.

The totes can be ironed, but be cautious near the handles. The handles are made of polypropylene webbing and will melt when exposed to high temperatures.
